### **BTR-1460 Features:**

- .460" bore
- Monel pistons
- Red brass leadpipe
- Nickel mouthpiece receiver
- Available in a variety of finishes  
lacquer, silver plate or silver plate with gold plated trim

Get a \$75 mail-in rebate on any BTR-1460 model!

There are three simple steps to get your rebate:

1. Purchase any new Blessing BTR-1580 or BTR-1460 trumpet from an authorized dealer in the USA between October 1 and December 31, 2011. Save your receipt! *(This rebate is only available to US residents.)*
2. Mail a copy of the original store receipt (not a credit card receipt, please), proof of serial number by enclosing the UPC code from the box, and the completed rebate form (you can find the form and mailing address on [www.blessingbrass.com](http://www.blessingbrass.com)). All rebate requests must be postmarked before February 1, 2012. *(Only one rebate may be redeemed per instrument.)*
3. Please allow four to six weeks for your rebate check to be processed.
